

Movin' On lyrics

Meliki

Verse 1

Childish games, I don't play
Hide and seek has never been my forte
Try to sort the truth from the lies
You're not an actor in disguise

Pre-Chorus

Old enough to know how to live
In the big wide world

Chorus

Stand up, and become worthwhile
Get out, and face the world at large
Play time is over,
The dolls and bears are gone
Real life is about real people
And moving out, and moving on

Verse 2

Living life in the imaginary
Shut off from the world
Stop acting like your 3 years old
You're not a diva in control

Pre-Chorus

Chorus

Bridge

Move on to...
Slaying the dragon in real life
They're still around
Stand in its way and you'll be found

Chorus
